## PM-1468/95 Heating Element For An Electrically Heated Smoking Article

Dear Charles:

Enclosed is a draft patent application (without claims) for the above-referenced combined disclosure. Please ask the inventors to review the draft, and drawings, for technical accuracy and thoroughness. Please also make any comments that you see fit, and return the marked-up draft to me at your earliest convenience.

I will be out of the office on business until sometime in the middle of September. I will call you on my return.

Thank you.

Sincerely,

James R. Bergin
